

RTDNA Canada recognizes Terry Vogt with a Prairie Region Lifetime Achievement Award

Calgary, Alberta - (June 9, 2020) - RTDNA Canada is pleased to honour Terry Vogt with an RTDNA Canada Lifetime Achievement Award for his outstanding service and continued excellence in his journalism career.

“Terry is a true Albertan and a trusted and respected voice in Alberta,” said RTDNA Canada President Fiona Conway. “Terry has covered news from natural disasters to uplifting human-interest stories. He has won many awards throughout his career and we are thrilled to be able to give Terry this recognition from RTDNA Canada.”

A special video celebrating Terry’s incredible career contributions is available on the [RTDNA Canada website](#).

A distinguished alumnus of Lethbridge College, and one of the most renowned and respected news journalists in western Canada, Terry is the News Director of CTV Lethbridge.

Terry started his career in 1972 as a DJ at a small station in Crowsnest Pass, Alberta, before transitioning into news reporting. He joined CTV Lethbridge when the station first went to air in 1984 and has grown and evolved with the station ever since.

Despite repeated attempts to lure him away to larger markets, and to CTV’s national broadcast, Terry has chosen to remain in Lethbridge, making him one of the most trusted news voices in southern Alberta. His passion for the industry, for telling stories, and mentoring younger broadcasters is what drives him every day.

He has been a strong community booster and regularly volunteers at the Lethbridge Soup Kitchen, co-ordinates a community outreach program, and always makes time to talk, listen, and share a coffee with the residents of the city he calls home.

About RTDNA

RTDNA Canada is the voice of electronic and digital journalists and news managers in Canada. The members of RTDNA Canada recognize the responsibility of broadcast and digital journalists to promote and to protect the freedom to report independently about matters of public interest and to present a wide range of expressions, opinions and ideas. The [RTDNA Canada Journalistic Code of Ethics](#), adopted by the Canadian Broadcast Standards Council, is used to measure fairness and accuracy in our profession.
